

Welcome to Pack 12

Serving Lamar County, Texas

Cub Master's Corner

March 2, 2011

Well I hope everyone had as much fun as I did at Pine Wood Derby! All of you are winners in my book! I saw some really creative cars, and I think you all did a great job in designing and building them. Give yourself a pat on the back.

Dad and Lad is coming up very quickly. If you have not received your flyer and registration form in the mail talk to your den leader, they should be able to help you with it. I plan to go the second weekend, and I know some of our people will be going the first as well. Whichever weekend you go there should be some Pack 12 people there and I am sure it will be a blast! Try to talk to people that are going during the weekend you are choosing and plan your meals together if you want. The mess hall will be serving meals, but many times the dads prefer to cook out on their own, over a fire like they used to do. That is one of my favorite parts about camping and I really look forward to it. If you need equipment, or just don't know what to bring please don't hesitate to ask, or call me at home!
